## **Networking Happy Hour**

Wednesday, December 4<sup>th</sup>, 6 PM – 9 PM

Provision No. 14: 2100 14th St NW, Washington, DC 20009

The Younger Chemists Committee will be hosting a networking happy hour. Come meet your chemistry peers in the DC area, hear about upcoming events, and enjoy some light food and drinks on us! CSW YCC will provide FREE appetizers and 2 drink tickets/person. We've reserved space and refreshments for approximately 40 people, so we'd appreciate it if those attending would RSVP ([yccsw@gmail.com](mailto:yccsw@gmail.com)) so we can get a headcount.

This event is geared towards getting young chemists from the DC area together to meet and discuss our work and collaboration opportunities.

We look forward to seeing you there!
